

Chippewa Valley After Hours Rotary

Introduction Letter

Hello and welcome to the Chippewa Valley After Hours Rotary club. Below, you will find information pertaining to our mission and commitment to helping the Chippewa Valley as well as information on Rotary International as a whole.

Rotary is a service organization that is made up of men and women united worldwide to provide humanitarian services and help build goodwill in the world. Rotary has an international mission of eradicating polio, but each separate club also has a defined focus. Each club has the ability to define a mission in which they will work to enrich their local community. ***Our mission is to assist programs relating to hunger in the Chippewa Valley through volunteer and fundraising services.***

With our After Hours club encompassing all of the Chippewa Valley, we have built connections with the surrounding Rotary clubs in Eau Claire, Chippewa Falls, and Menomonie. All of them are firmly established in their communities and can provide our new club guidance by collaborating and networking with us on different volunteer and fundraising opportunities to better ourselves and the place we call home.

While the operation of this club will focus on improving the quality of life in the Chippewa Valley, we hope to do so in a way that enriches and improves the quality of life for our members also. Becoming a Rotarian allows you to make a difference while making endless connections locally, nationally and internationally. Rotarians are all over the world and being a part of this wonderful organization can provide you with many networking opportunities both personally and professionally.

The After Hours club meets on the first and third Thursday of each month from 7:00 p.m. to 8:00 p.m. We will be changing our meeting day to the first and third Tuesday of each month starting October 3. The time will remain the same. A typical meeting runs about one hour and includes club business, fundraising updates, and a speaker from our local community.

If you are looking for more specific information please email our Membership Coordinator at cvafrotary@gmail.com.
